## SUMMARY

---

Computer Science student with a deep-rooted passion for technology, sparked by early curiosity and shaped through hands-on experience. From writing my first program to leading initiatives in my high school Tech Club, I've built a strong foundation in software development and collaborative problem-solving. I bring a blend of technical skill, initiative, and a drive to keep learning, ready to contribute to meaningful, forward-thinking projects.

## WORK EXPERIENCE

---

CODTECH IT SOLUTIONS PVT.LTD ➔ 3/2025 – 4/2025

- Internship - Frontend Web Development
- As a Frontend Web Development Intern at CODTECH IT SOLUTIONS, I developed responsive and dynamic web interfaces using React.js and Tailwind CSS. The internship enhanced my skills in modern frontend frameworks, component-based architecture, and UI/UX best practices.
